MUSIC & ENTERTAINMENT

Much of the success of the wedding reception depends on the entertainment which is provided, whether live music or a DJ. The music needs to be appropriate, special to the bride and groom and presented in an entertaining way. The announcements and coordination that are required during a wedding reception make it preferable to hire someone who has experience in this area.

CHECKLIST

- Will they bring their own sound and amplification systems?
- How many breaks will they take and duration of breaks?
- Will they provide music during the breaks?
- Will they provide music during the ceremony and/or cocktail hour?
